3. Click on Done button

The image shows a digital interface for solving a riddle. At the top, the letters 'C I f ml' are displayed, with 'C' highlighted in a blue box. To the right is a 'Reset Riddle' button. Below this, a text input field contains the response 'Clfml'. The main part of the interface features five vertical columns, each containing a letter: 'C', 'l', 'f', 'm', and 'l'. The first column is highlighted in blue. A 'Done' button is positioned to the right of these columns, circled in red with a red arrow pointing to it from the text 'Click when you done formatting'. Below the columns are five small checkboxes, the first of which is checked. At the bottom left are two buttons: '✓ All' and '✗ All'. A green message at the bottom reads 'Riddle Answered Successfully.'

4. If you want change this riddle for any reason click ResetRiddle Button to get net Riddle.

Enter the given Word & Format It

Reset Riddle

if you have trouble for reset riddle  
Click to solve another riddle

Response:

Done

✓ All ✗ All

Then follow above step again

Summary:

Type characters you see in image in 'Response' box.

Click on done. It will say riddle doesn't match, because we still need to format it. Now click 'Check All' button. It will select all characters. Uncheck one that has shaded background. Now select first color menu to apply font color that you see in sample image. After that click 'Uncheck All' button. Now check under character that has shading. Select shading color from second color menu. Now hit 'Done' button. If your colors matches as per image you put will say 'Riddle answered Successfully'. If there is an error, review the image again and choose colors and click done till you get success. You can also click 'Reset Riddle' to try another riddle challenge
